APPENDIX A-1. STORMWATER MANAGEMENT EXEMPTION APPLICATION

BOROUGH FILE NO	_
DATE OF RECEIPT/FILING	
(FOR BOROUGH USE ONLY)	
PROPERTY NO.: 140-	

The undersigned hereby applies for an exemption under the Denver Borough Code, Chapter 161, Stormwater Management for the proposed improvement(s) outlined in the application submitted herewith and described below (**NOTE: Application for an exemption in no way exempts the applicant from the regulations of the Borough Zoning Ordinance or any subdivision and land development plan impervious coverage limits for existing developments.):

1.	Name of Property Owner(s):
2.	Address:
3.	Phone No.: Home: Cell:
4.	Email Address:
5.	Application Date:
6.	Total Property Acreage:
7.	Description of Proposed Improvements:
8.	Total Impervious Added (maximum 1000 Sq. Ft) since February 9, 2004:

- 9. The improvements proposed under this exemption application are subject to the following conditions:
 - There shall be no disturbance of land within Floodplains, Wetlands, Environmentally Sensitive Areas, Riparian Forest Buffers, or slopes greater than 15%.
 - No Impervious Surface coverage shall be installed, and no Earth Disturbance Activity shall be conducted within any existing drainage or Stormwater easement created by or shown on any recorded plan.
 - The Applicant shall minimize soil disturbance, take steps to minimize Erosion and Sedimentation during construction activity, and promptly reclaim all disturbed areas within topsoil and vegetation.

- The Applicant shall take steps that Runoff be directed to Pervious Areas on the subject property. No Runoff shall be directed onto an abutting street or neighboring property.
- The proposed Impervious Surface shall not adversely impact any existing known problem areas or downstream property owners or the quality of Runoff entering any municipal separate Storm Sewer System.
- The proposed Impervious Surface shall not create accelerated Erosion and Sedimentation.

The undersigned hereby represents that, to the best of his/her knowledge and belied listed above and on the land disturbance plan herewith submitted is true, correct, an part of the proposed construction is located within an existing easement or wetland	d complete. No
Signature of Applicant (*all property owners must sign)	Date

Attach Sketch of Project Site and Proposed Improvements to the application. Refer to Appendix A-6 for information to be included in site sketch.
