### Family Membership Pass

A Family Membership includes an immediate family (husband and wife and children who are still in school) living in the same household. If people live together, but are not married, they are able to purchase a Family Membership Pass as long as they share a bank account listing that property as their address. Anyone listed as 18 and over and no longer in school is treated as an adult and must purchase a separate Adult Pass.

### Household Membership Pass

A Household Membership includes a family (husband, wife, children, and grandparents) living in the same household. If people live together, but are not married, they are able to purchase a Household Membership Pass as long as they share a bank account listing that property as their address. The Borough also will require identification proving that all non-family members included on the Household Pass live at that address.

### Non-Swimmer Senior Citizen Pass

A Non-Swimmer Senior Citizen Pass includes any senior citizen who may be accompanying children to the Pool, but who will not be swimming at the Pool.
